1. The South Asian Games

The South Asian Games are a bi-annual multinational multi-sport event held amongst the athletes from South Asia. The first South Asian Games were hosted by Kathmandu, Nepal in 1983 and have since been held every two years except for some occasions. In 2004, it was decided in the 32nd meeting of South Asia Olympic Council to rename the Games from South Asian Federation Games to South Asian Games (SAG) as the officials believed the word Federation was diminishing the emphasis on event and acting as a barrier in attracting crowd.
