Corrigendum on the RFP for Hiring TSR and LED TVs

The following modifications may please be noted by all bidders in respect of the RFP for Hiring TSR and LED TVs (No.).

- 1) The scope of the RFP is modified to include TSR only; hiring of LED TVs has been excluded from the scope of this RFP.
- 2) Eligibility Criteria mentions the requirement of supplying 50 LED TVs (as mentioned para no 7.8 in page 7 of the RFP, Page 17) has been dropped.
- 3) The last date and time of bid-submission is extended to 16-12-2015 at 11 AM; the Venue will remain unchanged.
- 4) The number and specification of some of the TSR equipment have been modified as follows; since the BoQ as uploaded in the e-tendering site cannot be changed now, it is for the information of all bidders so that they can quote properly. They need to quote as per the present status in the BoQ; however, wherever the item has changed (e.g. in SI Nos. 1.09 & 36.01 below), they should quote for the new item. They will not be able to change the quantity presently available in the BoQ; it will be adjusted to arrive at the actual price while evaluating the Financial Bid.
